

## Card of Thanks

---

We would like to thank the American Legion Post 509 for giving us the opportunity to go to Hawkeye Boys State. It was an experience we will carry with us for life.

I want to thank all of my family, friends and relatives for all of the get-well wishes, Christmas cards and especially birthday cards for my 93rd birthday! These cards have helped me stay positive during this time at the Simpson Home. Special blessings to the Rochester Church families.

*God Bless you all,*
